

# EAST BATON ROUGE PARISH SCHOOL SYSTEM

Gifted and Talented Programs

Dear Gifted and Talented Community Members,

I am reaching out to you on behalf of East Baton Rouge Parish School System Gifted and Talented Programs. First, I want to ensure you that all Gifted and Talented Programs will remain intact for the 2022-2023 school year. Staffing guidelines ensure that all gifted and talented students will continue receiving services and provide opportunities for expansion across the EBR regions.

Be assured that we are moving forward in the best interest of the students in the East Baton Rouge Parish School System. I deeply believe that the current staffing model will strengthen our gifted and talented offering and position the program for future growth. As you know, we are keenly focused on recruiting and retaining scholars. By focusing on expanding services and identifying academically gifted, talented arts, and students within the Great Scholars Program, we will continue to build the legacy of excellence that is a hallmark of our programs.

We are excited about the future and appreciate your support. If you have additional questions or concerns, please reach out to me directly at [bwilliams13@ebrschools.org](mailto:bwilliams13@ebrschools.org).

Thank you,
